- On the October 26, SIP day PCS staff began working to develop our building vision and mission.

The program included presentations, various pieces played by our band, poems read by our students, songs sung by our student body, as well as the honoring of veterans in attendance. Dr. Evans does a tremendous job putting together this wonderful event.

PCS Administrative Report

Grades 6-8

- We spent our SIP Day working on our vision and mission. This will be a process in which PCS will work together on part of it and then break into our pods and make it more specific to 3-5 and 6-8.
- Our Veterans Day program was very nice. This is a great program to honor our veterans. The 8th grade students read the poems they had written for the event. The younger students did a great job singing. Everybody worked very hard to get ready for the program, and it showed. It is a very touching program. Dr. Evans worked really hard to pull it all together.
- We are just getting started on the toy and food drive. This is always a friendly competition between Cpod and Dpod.
- PCS Christmas Concerts will be held on December 19. Band and chorus students are all gearing up for that program. The Christmas carols can be heard throughout the middle section of the building.

HAPPY THANKSGIVING!!
