PCS Administrative Report

Grades 6-8

- We had our picture retakes and organization pictures on November 29. They will return again in the spring to get our spring sports and activities.
- We had our annual “Decked the Halls” afternoon before we left for Thanksgiving break. It looks a lot like Christmas in the building! Students decorated doors, windows, lockers, and also made holiday cards for individuals at both nursing homes.
- We used our SIP day to work on higher order thinking questioning to improve our students’ critical thinking skills. We also discussed our PARCC and MAP scores. We then broke into department groups.
- We held our Christmas concert last night. It was a packed gym and our students did a great job! We received a lot of positive feedback as the crowd left. We believe the concert was enjoyed by all who attended.
- We finished up our Food and Toy Drive last week. Miss McDevitt’s Team won both of the prizes. Her class won a doughnut party for most toy donations. They also won a pizza party for earning the most points for food donations. Dpod won the bragging rights for most overall points. This is the first time this has happened in several years.
- We will begin our MAP testing on January 16. This will give us our mid-year benchmark. Teachers will use this information to help students in skill areas where they need to improve.
- We have a few Spirit Days here this week. Today was red and green day and hat day. The proceeds from the hat day went to our charity fund. We use this fund to buy clothes for students in need, school supplies for students in need, and occasionally groceries for families in need.

- I would like to thank you for all of your support throughout the year, and I would like to wish you a Merry Christmas and a Happy New Year!

Have a Merry Christmas and a Happy New Year!
