- My staff has been preparing for PARCC testing which will take place March 20 through the 28.
- SIP Days have been spent analyzing data from our MAP test. This information will be used help guide instruction.
- C pod Family Fun Night was a big hit. Families enjoyed orange drink and popcorn as they played bingo in the PCS cafeteria. Prizes were awarded to the winners and drawings for prizes were held. No one went home empty handed. A great time was had by all!
- On March 10, PBIS held the third-quarter Big Event. This activity is to reward students who consistently meet behavior expectations. Students involved had the option of playing in a nuk'em tournament or watch a movie.

- Parent/Teacher conferences are going well. We don't get as many parents in during the spring conferences, but it's always good to see those who do make into our building.
- We are holding Student-Led conferences during the spring conference time. We had several on Tuesday and have a few more on Thursday. We haven't had these for several years. We received great feedback from both parents and students last night.
- We have the PARCC assessment finished for this year. I truly appreciate all of the hard work that my teachers do to make this work, as well as the excellent effort that our students put forth.
- The music department is working hard to get ready for the spaghetti dinner next Friday. They are also starting on things for the spring concerts and graduation. It's a busy time!
- Spring picture day is tomorrow. It's great seeing their smiling faces.
- Spotlight: Mrs. Feldpausch and Miss Sears – ELA department
