We will meet with all perspective athletes for the 2018-19 school year to hand out our raffle ticket information and ticket packets.

Coaches are preparing for a busy off season summer schedule with youth camps as well as team camps. We appreciate the time and effort that they put in during the offseason to continue to prepare our athlete's and programs to compete at a high level.

PCS Administrative Report
Grades 3 - 5
May 16, 2018

- April 19 - PCS held a disaster drill. Students and staff all did a great job!
- April 27 - Walk in the PARCC Party - All C pod students were treated to a fun afternoon that consisted of games, relays, a bounce house, and obstacle course. This activity was made possible through generous donations from Illini Community Hospital, Health and Wellness Foundation, and Ackels.
- The first few weeks of May teachers have been busy administering end of the year math fact and reading assessments. I look forward to seeing how much we have improved.
- April 30 - May 3 - MAP Testing
- May 4 - Fourth-grade Fiesta - All 4th grade students learned basic Spanish vocabulary from the High School Spanish 3 and 4 classes during the month of April. We then held a 4th Grade Fiesta where students can practice their Spanish vocabulary through games. They also made crafts with a Mexican theme and tried Mexican food. We had many parents donate items and money to make this successful. Parents, grandparents, and high school Spanish students volunteered to work as well. It is a good opportunity for the students to learn about another culture. Hopefully, it will spark their interest in a foreign language.
- May 11 - Salma Ansari, PHS alumni, came to P.C.S. to teach various styles of Hula dancing to all third and fourth graders. She and her daughter demonstrated traditional Hawaiian Hula dance moves. All students and many teachers then performed a Hawaiian Hula dance. Mrs. Marable was responsible for setting up this event.
- May 14 - D.A.R.E. graduation was well attended; Officer Thompson and Deputy Anderson did a great job with this program.
- May 17 Math meetings - Teachers will work to finalize our math curriculum documents.
- May 18 - Dr. Evans and the student council will hold its annual talent show. Ten acts will be performed for the 3 - 5 student body and visitors.
- A special note - Field trips all went well, and I was proud of our students for the way they conducted themselves.

South Elementary School Board Report May 16, 2018

Positive Points

- Sixty-eight parents attended the second grade field trip to New Salem.
- Eighty-two parents attended the preschool field trip to Bonkers.
- The spring music programs were spectacular and well attended.
- The end of the year benchmarks are being administered for math and reading and our students have made tremendous progress.
- MyOn Reading Progress

Math Curriculum Update

- The kindergarten through eighth grade math curriculum is aligned to the standards and progressions. The document is 95% complete. We just need a couple more hours to do some font revisions. A big thank you to Mr. Denny Cook and our Pikeland Teachers for their diligent work and dedication.
- The K-12 vertical alignment team will meet with Mr. Cook on June 5th to have further conversations about the alignment of the standards and skills between grade levels.

Other News & Upcoming Events

- We are currently enrolling students for the summer reading bookmobile and reading contracts.
- Our final multi-tiered system of support collaboration will be tomorrow. We will celebrate the progress our students have made in our intervention groups.
- May 22nd from 7:30-8:15 there will be an appreciation breakfast for our South School Welcoming Team Members and volunteers. Please join us.
- May 25-30th will be grade level picnic days. Parents are welcome to join their students for lunch on the day of their picnic.
- May 30th which is the second grade picnic day the students will go on a field trip to visit PCS and tour the building with Mr. Frieden.
- The last day of school is May 30th! Report cards will be sent home with registration information for the 2018-2019 School Year!

South Elem School

PCS Administrative Report
6-8 Grades
May 16, 2018

- Rotary Day
 - We hosted the Rotary Day on April 26: 7 Reasons to Leave the Party. We host this each year. Griggsville-Perry and Pleasant Hill join us. Rotary lined up great presenters and the kids did a great job. Rotary awards a prize each year and the prize is a \$100 gift card. Nicole Cooley was the winner this year.

- Sixth Grade Orientation
 - Sixth grade orientation was held on April 30 at 6:00 in the PCS cafeteria. This is a good transition meeting for both students and parents. We had 68 students in attendance.

- Lunch with a Parent/Grandparent
 - We had lunch with a parent/grandparent last week. We had a really good turnout. It's always great to see everybody enjoying the time together. We even had a few go to recess!

- Concerts
 - Band concert was May 15 and the chorus concert is May 17. The band concert was very good and the students were amazing! It's always great to see how much the students learn throughout the year.

- Pay it Forward
 - I was very honored to receive the pay-it-forward award through the Class of '54. Kerri Ballinger, a PHS senior, received a scholarship from the Class of '54. She, along with the other recipients, was asked to pay-it-forward. It is a privilege to be named as a recipient of the pay-it-forward award.

5/6 grade volleyball:

There were 40 participants in the 5th and 6th grade volleyball that ran 3 days a week for 5 weeks. They wrapped it up first week of May. There are a lot of good ball players at that level. It will be fun to watch them grow.
