

**BUILDING COMMITTEE MEETING MINUTES –
PIKELAND BOARD OF EDUCATION**

June 14, 2018

The Building Committee of the Pikeland Board of Education met at 7:00 a.m. in the Board Office.

Board Members present: Mike Gerard and Phillip Hoover. Others present: Superintendent Paula Hawley.

- To consider and approve proposed summer building projects:
 1. Looked at storage shed information from Coach Paul Petty and agreed to let him proceed with project when a building permit is obtained from the city. Pikeland architect has looked at the proposed plan. Architect engineer has stamp on truss design.
 2. Discussed water line to football field watering device.

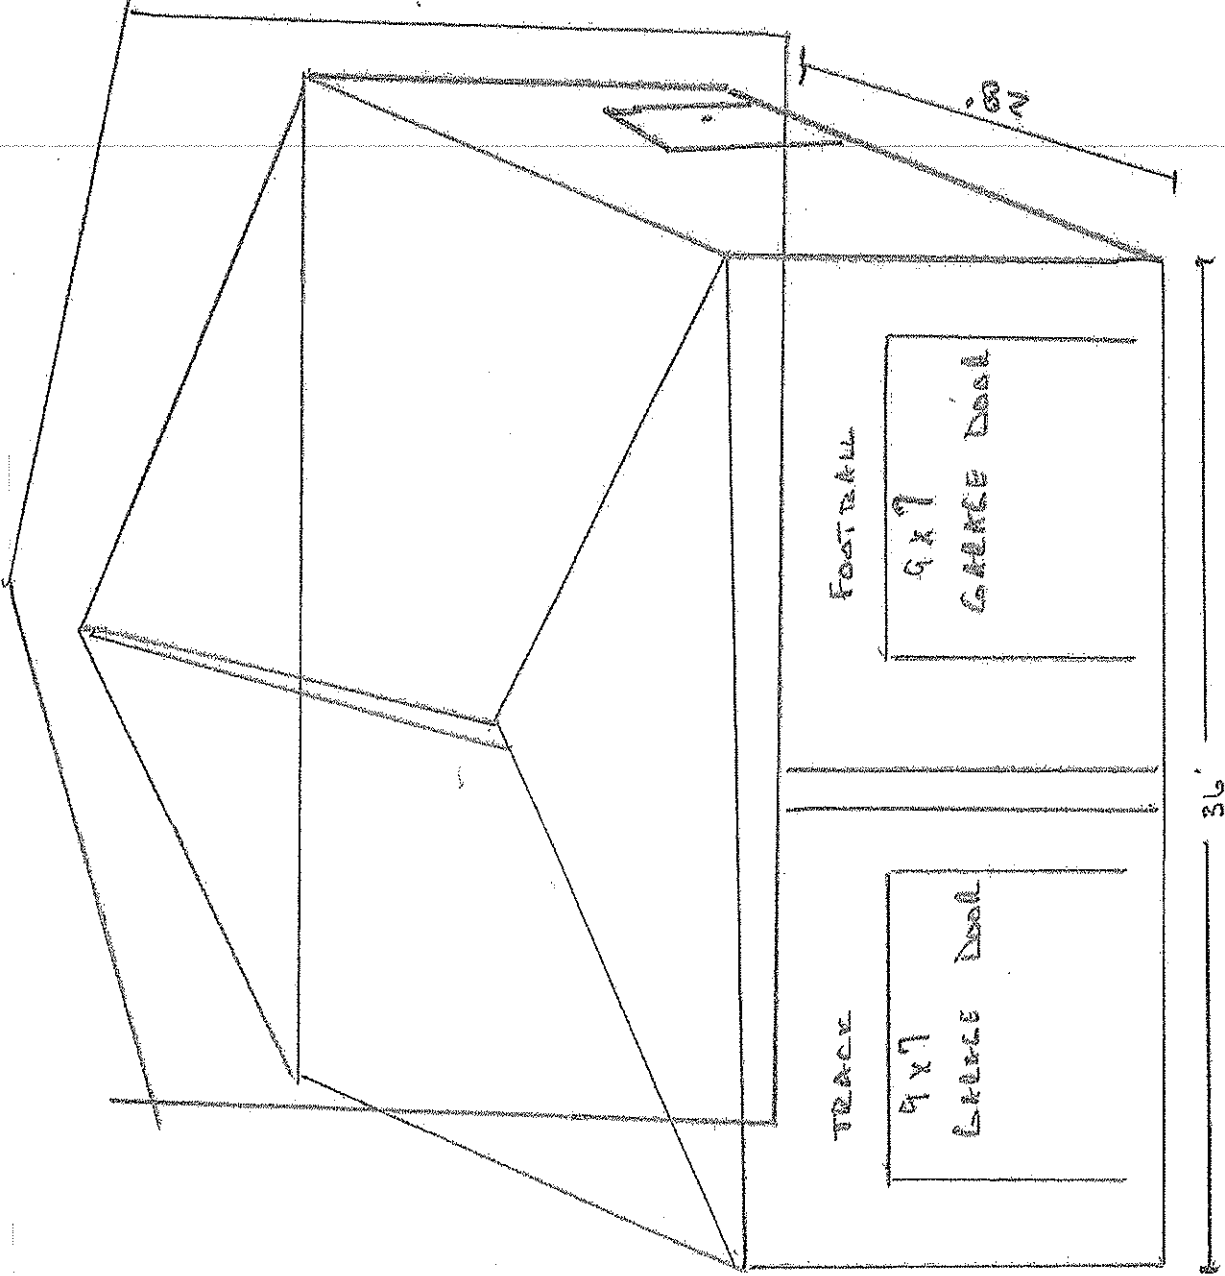

Motion by Hoover, seconded by Gerard to adjourn Building Committee meeting at 7:20 a.m.

Respectfully submitted,

Phillip Hoover, Secretary

MAY 29, 2018

- In evaluating structure design, the cost is cheaper to have truss manufactured.
- This will also allow for easy install of overhead doors.
- See attached sheet of cost for material.
