Pikeland Administrative Report  
June 21, 2017  
6-8 Grades

- Some of my teachers and I attended the Google training on June 6 and 7. We learned some creative ways to use Google for communication in different areas of our jobs. The teachers gained knowledge of ways they can better utilize Google in their classrooms. We all took something away from it that our team can use.
- Next year's scheduling and class assignments are in progress.
- The cleaning of the building is going great. The crews are working hard to make sure the buildings are ready for the next school year.

**P.C.S. Administrative Report**
