2. Concussion Protocol

Unfortunately we have had to deal with several of these so far this year.

Process:

Once a student/athlete is involved in a high impact situation, they are immediately checked on by our Trainer.

At that point he does a sideline exam in form of questioning and overall evaluation of the students actions or demeanor.

Our trainer then makes recommendation that they are ok, or they need to be monitored some more. If deemed a concussion, they then enter our RTL/RTP program.

Adam and Dr. Biggs handle everything from the moment they are deemed concussed.

Our transition team at PHS works with our students and staff on returning them to mainstream school with supports in the classroom and school work.

Once reevaluated by Dr. Biggs, the supports begin to lessen and then ultimately taken away. At that point, the RTP 5 stage protocol begins and they slowly return the athlete to participation.

Adam and Dr. Biggs handle our athletes with the care and attention they need and the situation calls for. We have been impressed with their professionalism and care thus far. A very beneficial service for us!

3. **JV Football schedule Cancelled**

Due to the overwhelming injuries and concussions and overall lack of numbers, the decision was made to cancel the remaining games on our JV Schedule for the safety and benefit not only our players, but the program.

By doing so, it allows adequate rest time for our athletes that have to play multiple schedules. This also creates more practice time and opportunity to work on skills needed to develop as a player and team.

It's an unfortunate situation and we hated to cancel a season. The remaining conference schools on our schedule were very understanding and cooperative.

Hopefully we do not have to cross this road in the future.

PCS Administrative Report
September 21, 2016
Grades 6-8

- The splash dance on Aug. 18th was a great success. The weather cooperated and the dance was well attended.
 - We had a great Open House. We had good attendance and it was great to have the families in the building.
 - We have had relatives eating with our students this week.
 - The fall MAP testing starts tomorrow. This gives us data so we can better meet the needs of our students.
 - Parent/Teacher conference forms were mailed out yesterday. Conference will be held in the evening on October 4 & 6. We hope to have a lot of parents participating.
 - Midterm reports went out yesterday. Parents of our 6th grade students will receive a progress report on their student next week. We believe this information is important to all parties involved in helping our students be successful.
 - Homecoming-Spirit week starts on Monday and ends with the parade on Friday. The students are super excited!
 - We have our first PBIS reward next Friday. The skill our students have been working on is: Turn all assignments in on time and done to the best of your ability.
-
- Our school picture day is October 13.
 - We have our Dpod Family Night coming up October 18.
 - We are off to a great school year! I am looking forward to watching the successes of our young students.
 - Sports
 - Baseball regional started last Tuesday. We played Saturday and Monday. They brought home the regional champ plaque. They will play in the sectional game in Raymond on Saturday. Go Braves!!
 - Girls' basketball played their first game last night against Our Saviours. The girls play at home tomorrow night.

Administrative Report

Grades 3 – 5

- The pool party hosted by the student council on Aug. 18 was well attended and a fun way to start the year.
- On Aug. 19, we held PBIS boot camp. During boot camp, the students rotated through stations that taught our expectations for all areas of the school.
- Our PBIS team consisting of Holly Lowe, Kate Ward, Lyndsay Smith, Cathy Wilson, Lori Slayden, Sandy Curless, Ami Davis, Candice Daniel, Heather Richards and I meet regularly to review behavior procedures, areas of concern, and to develop lessons that support our expectations.
- The PBIS check-in check-out team consisting of Todd Evans, Amy Gay, Rosie Picone and I meet every other week to support students who are consistently having trouble meeting our expectations by providing them with extra support.
- Student Assistance Program (SAP) is a K-12 school-based, evidence-informed framework for prevention, early intervention, referral and support for students with identified needs that may prevent them from fully benefitting from their educational experience. SAPs focus on building supports for students dealing with non-academic barriers to learning including behavioral health, family and relationship issues as well as other life needs. This team meets every other Friday throughout the year. Members of this team are Todd Evans, Cara McNulty, Jon Frieden, Lisa Jockisch, Betty Hayden, Lori Slayden, Amy Gay, and Cathy Welch.
- Assessments – Teachers have completed beginning-of-the-year DIBELS and math fact assessments for all 3 - 5 students. The staff will utilize the data from DIBELS testing to develop reading intervention groups that address deficits and provide enrichment opportunities.
- The PCS book fair was held Sept. 12 through 16. The fair was well attended, and I would like to thank all the volunteers who helped to make this a success. In addition, students who completed their summer reading contract were given a book from the fair of their choice.
- During the first SIP day on Sept. 15, staff met with Deputy Jennifer Thompson to learn about the ALICE safety protocol.
- The first quarter midterm was last Friday, Sept. 16 and D / F slips were sent home today.
- This week PCS has been holding lunch with a parent. During this event, parents are invited to come and have lunch with their children. This event has been very well attended.
