Grades 6-8

- Our Veterans Day program was very nice. This is a great program to honor our veterans. The 8th grade students read the poems they had written for the event. The younger students did a great job singing. Everybody worked very hard to get ready for the program, and it showed. It is a very touching program. Dr. Evans worked really hard to pull it all together.
- We have hat day tomorrow. Proceeds will benefit the Pike County Honor Flight.
- Teachers worked in their department groups during our PLC on November 10. They worked on curriculum, assessments, and
- It's hard to believe that we are half way through the second quarter. D/F notices will be sent home next Tuesday.
- We are working hard on the toy and food drive. I was asked today if the council could "can" me today. After some explaining I realized that meant they would block me in my office using cans.
- Picture retakes and activity pictures are scheduled for November 30. They will come back in the spring to take the spring sports, as well as the spring pictures.
- PCS Christmas Concerts will be held on December 13. Band and chorus students are all gearing up for that program. The Christmas carols can be heard throughout the middle section of the building.

HAPPY THANKSGIVING!!

Grades 3 – 5

- October 22 – Student council held a Halloween party for all third through fifth grade students. Students watched a movie, played games, and toured the haunted hallway. A spooktacular time was had by all!
- October 27 was Family Fun Math Night. This event was sponsored by the regional office of education and County Market. Forty-two PCS students, with their parents, flowed into County Market and were greeted by their principal and teachers who gave them a clipboard full of math scavenger hunt questions to complete. Families spread across the store watching their children find the answers to math problems using grocery items and prices. It was a big hit!
- Third grade held their annual pumpkin contest. Thirty-eight students participated in what I feel was one of the toughest contests yet. Kelsey Freesmeyer was the winner.
- Thursday, November 10 – Our annual Veterans Day Program was held at P.C.S. to honor veterans in our community. The program included presentations, various pieces played by our band, poems read by our students, songs sung by our student body, as well as the honoring of veterans in attendance. Dr. Evans does a tremendous job putting together this wonderful event.
- Thursday, November 17 – This is the second quarter midterm. D / F slips will be sent home on Monday, November 21.
